SENATOR CLARK: All right, record the vote.

CLERK: (Read record vote as found on page 1821 of the Legislative Journal.) 30 ayes, 13 nays on the motion to advance the bill, Mr. President.

SENATOR CLARK: Motion on the desk. The bill is advanced. Do you want to read something in? Go ahead.

CLERK: Mr. President, a new resolution, LR 340, introduced by Senator Pirsch. (Read.) That will be laid over, Mr. President.

SENATOR CLARK: We have 882A yet that we can do.

CLERK: Mr. President, 882A has no amendments. Senator Newell has an amendment on the bill. The amendment is on page 1637 of the Journal.

SENATOR CLARK: Senator Schmit. There is an amendment on it first. Senator Newell, go ahead.

SENATOR NEWELL: That amendment was in regard to one of the other amendments that I withdrew on the happy prospect that it might be accepted and with that, since it was not offered, I will withdraw the amendment.

SENATOR CLARK: The amendment is withdrawn. Senator Schmit.

SENATOR SCHMIT: Mr. President, I move the bill be advanced to E & R engrossing.

SENATOR CLARK: Is there anybody that wishes to talk on the advancement of LB 882A? Senator Murphy and then Senator Keyes.

SENATOR MURPHY: If I may, Mr. President, I would like something read into the record and it goes, "Our Father which art in heaven."

SENATOR CLARK: Senator Keyes, do you want to finish that?

SENATOR KEYES: ...(mike not turned on immediately. ... Senator Nichol. Senator Nichol, because we are advancing the A bill to 882, does it include funds to replace the taxes that are going to be taken off with the tools of industry or the tools of production in the earth moving equipment business? Does it replace that?

SENATOR NICHOL: That's a good question. I wish I knew the answer.
